## PROBLEM-BASED LEARNING UNIT

# **Day 2: Communication Practice**

## **Review** w/Anchor Charts

- Discuss different ways to communicate
- Discuss important things to consider when communicating

## **Recall** Chicken-drawing activity

### **Practice**

- Using a grade-level-appropriate map, have students communicate to another student where and what to label on the map (see following pages)
- Use interactive website to teach/introduce student to basic map skills

<u>Directions</u>: Using only the completed map and a compass to give directions, communicate to person B what goes into each blank
